EXPERIENCE

KPMG

Audit Intern

Los Angeles, CA

Jun 2025 - Aug 2025

- Collaborated with several engagement teams to perform audits of companies across multiple industries
- Prepared and organized audit documentation, ensuring accuracy and compliance with KPMG's audit methodology and professional standards
- Utilized Excel and KPMG's audit tools to compile, analyze, and reconcile client data

CliftonLarsonAllen

Audit Intern

Sacramento, CA

Jun 2024 - Aug 2024

- Supported financial audits for non-profit clients by assisting in the evaluation of internal controls and compliance procedures
- Conducted on-site visits to clients to gain insights into operational workflows and identify audit-relevant processes
- Collected and analyzed client documentation and financial data to support audit planning and execution

PROJECTS

Streaming Marketing Analytics

- Built an end-to-end pipeline extracting 10,000+ streaming titles from the TMDB API, loading to Snowflake and transforming through dbt into a star schema
- Deployed an interactive Streamlit dashboard to identify which content attributes drives audience reach and satisfaction
- Automated the pipeline with daily Github Actions runs and synthesized Paramount's investor relations sources into a structured knowledge base

SCHOOL ACTIVITIES

- LMU, Delta Sigma Pi, Professional Business Fraternity
- LMU, Del Rey Players, Student Theater Club
- LMU, Alpha Psi Omega, National Theatre Arts Honor Society
- LMU, Accounting Society
